

Trumansburg Comprehensive Plan Review & Zoning Ordinance Revision Committee
Meeting Notes – 11.Apr.2019
DRAFT – KK – 14.Apr.2019, rev 20190419

Present

Ben Darfler (Village Board member)
Tom Myers (Code Enforcement Officer, Zoning Officer)
Scott Sheavly (ZBA member)
Steph Bailey
David Breeden
Rachel Giordano
Kathy Klemperer
Tom Pepe
Jane Rice (EDR - Environmental Design & Research, consultants)
Walter Kalina (EDR)
Erica Tauzer (EDR)

EDR representatives brought large GIS zoning and land use maps and an aerial photograph of the village that they had prepared. Attendees used these maps to locate and identify a number of residential “character areas” in the village, and described their characteristics in terms of setbacks, architectural style, parking, traffic, sidewalks, types of commerce (if any), density, lot size, etc. EDR will draw these character areas on the village map for review and adjustment at the next meeting. Examples of character areas are Whig/South/Elm Streets, Salo Drive, Tamarack/Larchmont Streets, Prospect Street. **Note:** this is not an exhaustive list; just examples of the character areas.

Action items

- **EDR** draft a “character area” map overlaid on the zoning/landuse map, with labels and descriptions of the areas.
- **All committee members:** review the “Twenty-year Vision Statement” found on p. 2 of the current Comprehensive Plan. Does it apply to our village today? Consider what should be added, changed or kept. Put your review document in the “Vision Statement Review” folder in our Dropbox folder by **May 1**. Be prepared to discuss at next meeting. Jane suggests googling Comprehensive Plans New York State to look at other villages' vision statements. ==> If Dropbox gives you trouble, send your document to Jessica and she will put it up.
- **All committee members:** SB has started a “stakeholders” spreadsheet in our google drive folder. Please add your stakeholders by **May 1**.
- **SB:** Work with Jessica and Tammy on updating our page on the village website. Figure out if and how EDR can submit updates directly. **Done** – see updated web page at <https://trumansburg-ny.gov/zoning-revision-committee/>

Next meeting is scheduled for **May 9, 2019, at 6:30 pm**. Agenda will include:

- Review of character areas in the village.
- Discussion of Comp Plan Vision Statement
- and To Be Announced

Respectfully submitted

Kathy Klemperer
